

PARTICIPANTS NEEDED!

Are you a young person aged 12 to 25 who self-identifies as a racialized, im/migrant, refugee and/or member of a cultural minority group?

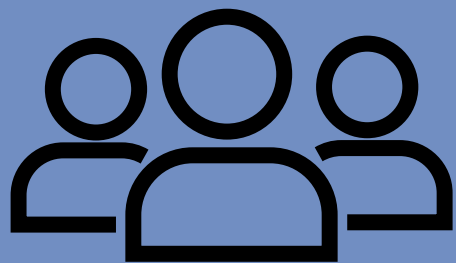

Share your opinion on health and social services available to you!

Principal investigator:

Naïma Bentayeb, IU SHERPA, McGill, ENAP

We are seeking to adapt the services offered by the Aire ouverte program to Quebec.

Who?

Young people who self-identify as racialized, im/migrant, refugee and/or belonging to a cultural minority group, aged between 12 and 25.

What?

An online questionnaire lasting no more than 15 minutes.

Why?

By giving us your opinions on services, you can help us improve them and make sure they're adapted for young people like you.

This research is funded by:
